

Easy One Touch Wireless

Fast Charging Dashboard & Windshield Mount

The iOttie Easy One Touch 4 Dashboard & Windshield Mount is a universal smartphone solution that is engineered to safely enhance your driving experience.

U.S. patent protected, the one of a kind Easy One Touch mechanism allows you to easily mount and remove your smartphone with one simple hand motion.

Utilize the increased range, strength, and stability of the telescopic arm to find the perfect position for your smartphone on either dashboard or windshield.

Securely mount on your dashboard, windshield, or desk with iOttie's super strong suction cup. The Easy One Touch Dashboard and Windshield Mount is universally compatible with all smartphones sizes to hold your device securely so you can drive safely. Effortlessly mount or remove your smartphone and get back to your life.

- Qi Wireless Certified
- Universally holds all phone and case combinations from 2.3" - 3.72"
- U.S. Patented Easy One Touch Mounting System
- Qi Wireless Fast Charging is up to 40% faster charge than standard wireless
- Air vents on the back of the mount allow cool air to circulate, diffusing heat
- The re-designed Telescopic Arm extends from 4.9" - 8.3" and pivots 225°
- Strong suction force combined with a layer of sticky gel for a secure hold
- Adjustable Foot can move vertically or laterally to give extra support
- For additional smartphone compatibility, the Foot can now be removed
- MSRP: \$54.95
